Dear Mrs. Hatfied,

Thanks for the clipp ings. I get the N.O. papers, so I am returning the duplicates save two that I(d like the extra copies of and the NYTimes one and those from your local paper, which I did not have,

You may see things in the NO papers that, because of ~~myn~~ your local knowledge have a meaning I cannot extract. I'd appreciate these, but save the Xeroxing cost on the major ones that I cannot mis.

Many Thanks,

Sincerely,
